

## How to Exit a Garage: CREDIT or DEBIT Payments

Parkers need to pull a ticket in order to enter the garage. Please keep the ticket in a safe place where you can find it after your event. You will need it in order to exit the garage. *An additional fee may be applied for lost tickets or tickets that cannot otherwise be scanned due to damage.*

**PLEASE NOTE: Cash is not accepted at the exit gate.** If paying by cash, please refer to the payment directions on page two.

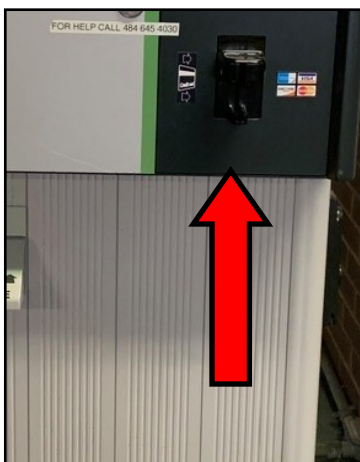

### Paying with a CREDIT or DEBIT CARD

1. Pull up to the exit gate.
2. Locate the ticket barcode scanner. (Look for the red light in the lower, left corner of the exit station where it says "Scan Barcode".)

3. Scan the barcode on the ticket you pulled when entering.
4. The amount due will be displayed on the screen.

5. Insert your credit or debit card.
6. Follow the prompts on the screen.

7. If you would like a receipt, please push the red button above the speaker.
8. The receipt will print out above the button.
9. Exit the garage.

## How to Exit a Garage: CASH Payments

**CASH IS NOT ACCEPTED AT  
THE EXIT GATE.**

**Cash payments are accepted only at  
walk-up pay stations.**

Locate the walk-up pay station inside the garage.  
(Typically located on the first floor next to the elevator  
bank)

1. Scan the ticket you pulled when entering the garage.  
NOTE: Keep this ticket; you still need it to exit.
2. Insert cash where indicated. (Remember to take your  
change!)
3. If you would like a receipt, press the "receipt" button.
4. Your ticket can now be used as payment at the  
exit gate.

5. Pull up to the exit gate.
6. Locate the ticket  
barcode scanner. (Red  
light in the lower, left  
corner of the exit station  
that says "Scan  
Barcode")
7. Scan the ticket you  
used at the pay station.
8. The amount due will be  
displayed on the screen.
9. Scan the ticket again.

10. If you would like a  
receipt, please  
push the red  
button above the  
speaker.
11. The receipt will  
print out above  
the button.
12. Exit the garage.
